

## **The Town of Lima Highway Department Announces 2018 Roadwork Work Plan**

The Town Highway Department plans to oil and stone portions of Dalton Road, Heath-Markham Road, Corby Road and York Street in early May. We are planning to pave Jenks Road, from Route 15-A to Livonia Center Rd, possibly in June. The weather may play a role in the completion date.

As we constantly try to update culverts, a number of them will be replaced also depending on their condition. As usual, we will also have roadside mowing, county work, extra work at the park as time allows, and cemetery mowing.

The Highway Department will hold Annual Clean-Up for town residents on Friday and Saturday, May 4<sup>th</sup> and 5<sup>th</sup> at the Highway garage

As always please slow down for our workers and jobsites. Safety is our priority. Thank you for your patience.

Keith Arner, Town Highway Superintendent 585-1443.
